PROFILE

Aspiring Front End Developer studying at Medieinstitutet in Stockholm. Likes to code simple and validating functionality in JavaScript or TypeScript.

From nearly ten years of experience from film and television I have developed great skills in project management, working in groups and task prioritization. Always eager to learn and never backs down from a challenge. Creative problem solving is my greatest strength.

AVAILABLE FOR INTERNSHIP SEPT 21 - NOV 27 2026

SKILLS

<u>Languages</u>	<u>Frameworks</u>	<u>Databases</u>	<u>Miscellaneous</u>
HTML	React	MongoDB	Git
CSS/SCSS	NextJS	Mongoose	GitHub
JavaScript	Express	Postman	Vercel
TypeScript	Bootstrap		REST API
